

## Description

Craving for Kebab? Follow the lights that bring you to the picturesque interior of 'Kebab Paradise' for a unique ambiance that will delight you as you dine. The hotel's multi-cuisine restaurant offers the discerning diner a delicious choice from cuisine drawn from all over the world.

'Kebab' is said to have been invented by medieval Persian soldiers who used their swords to grill meat over open-field fires. Smoky grills and succulent bits of meat set on skewers, ready to sizzle on the red hot coal, promising a unique dining experience. Kebab Paradise offers a delectable choice of meats and starters.

Discover a deliciously modern twist on traditional kebabs infused with flavors and spices. Offering delicately marinated meats, Kebab Paradise truly presents its finest to delight your taste buds. To balance the rich spices, a wide range of tempting beverages are served to cool the palate from a sizzling celebration of flavors.

Conveniently located downtown and with family-friendly prices, 'Kebab Paradise' is always a cacophony of kids and parents. The restaurant boasts a special kid's meal which includes mouthwatering desserts like sundaes and banana splits which kids relish, also inclusive of special deals along with a hall that can be rented out for kid's birthday parties.

You are welcome to experience the art of grilling your own meat to suit your palate, as a lavish variety of Veg and Non-Veg dishes await you and your family.
